## Biography

Trieste, 1986. Lawyer at the Trieste Bar Association.

Graduated in Law at the University of Trieste, with a thesis in civil procedural law entitled: "La contumacia nel processo civile".

She gained a professional experience at an important law firm in Munich of Bavaria, gaining skills that enable her to assist German clients in German language in need of legal assistance in Italy and in particular in Trieste, especially in the field of real estate.

She is a member of the Litigation & Banking and Constructions & Real Estate divisions within which she provides advice and assistance, both in and out of court, in civil law matters, with particular reference to real estate law, family law and debt collection. She carries out her professional practice at her office in Rome, as well as at her own office in Trieste.

She has been a member of the Trieste Bar Association since 2014.
